

Remarks/Arguments

Prior to the present amendments, claims 61, 63-66, and 68-86 were pending in this application. Claims 76-83 have been allowed, claims 61, 63-66, 68, 69 and 84 have been objected to and claims 70-75 and 85 have been rejected. The current amendment consists of the cancellation of rejected claims 70-75 and 85. The amendment was made without acquiescing to the rejection of the canceled claim, and without prejudice or disclaimer. Applicants explicitly reserve the right to pursue any deleted subject matter in one or more continuing applications.

It is believed that upon entry of the unentered amendment of September 17, 2007 and the present amendments, all claims will be in *prima facie* condition for allowance, and an early issuance of a Notice of Allowance is respectfully solicited.

Should the Examiner contemplate the maintenance of any of the current rejections, or issuance of any additional rejections, she is respectfully requested the undersigned attorney to provide an opportunity for setting up a personal or telephone interview.

The Commissioner is hereby authorized to charge any fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 08-1641 (Attorney Docket No. 39766-0290P1C4P1).

Respectfully submitted,
